CONSULTING SERVICES / BRITISH COLUMBIA

Project Management & PMO

Create a shared view of project priorities, milestones, risks and delivery responsibilities.

WHEN THIS SERVICE FITS

Fragmented schedules, inconsistent reporting and unresolved dependencies make project decisions harder.

CONSULTING SCOPE

- PMO design, improvement and assessment
- Planning, controls, risk and cost management
- Capability assessment and recovery support

POTENTIAL DELIVERABLES

- PMO assessment or implementation roadmap
- Governance, roles and project SOPs
- Milestone schedules and control registers
- Project and portfolio reporting framework

OUR APPROACH

Review delivery needs. Define governance. Establish controls. Support adoption. Review progress.

Deliverables, availability, timing and fees are agreed before work begins. Benefits depend on the scope and implementation.
